

## Introducing Monthly Photo Contests:

### Objective:

- Allow our club members to showcase their work in a low pressure environment
- Get us out of our “comfort zone” and force us to shoot something different than our normal subjects
- Have fun!

## Here's How It Will Work

- Each month we will have an “assigned subject”, some of these might be very broad or abstract. Get out and take the shot AFTER the subject is announced.
- By Monday of the meeting week, please email your image to seabrookphotographyclub22@gmail.com.
- Don't watermark your image or have your name in the file name.
- During the front end of the meeting, submissions will be on a slide show with an ID number.
- We'll do a quick show of hands vote at the front of the meeting.
- At the winner's discretion, you can give us a quick 60 seconds on your creative process for your winning shot.
- Winner will receive a \$20 gift certificate!
